- a) Tenders for the supply of drugs shall be considered only, if the Tenderer gives an undertaking that the supply will be prepared and packed with the Logogram and the words specified in enclosure to **Annexure -X** of this tender, printed on the drugs and their containers, packing and outer packing (format of undertaking is given in **Annexure - X**). The Logogram should be printed in RED colour, which should exclusively act as a highlighter. Consequently other matter whatsoever should not be printed in the same or similar colour as that of the Logogram.
- b) Tenders without this undertaking will be rejected.
- c) Logograms are exempted for consignment basis orders and instruments.
- d) Supplies without the said Logogram as mentioned above will be rejected and shall be deemed as violation of the contract.

18. QUALITY, TESTING AND INSPECTION

a) Purchaser reserves the right to test each batch or batches selected at random of the consignment received either at the time of receiving the goods or at any time during the shelf life of the product for test and analysis at any laboratory approved under the Drugs and Cosmetic Act and Rules notwithstanding the routine sampling that may be carried out by the Drugs Control and Regulatory authorities. The actual cost of testing will be deducted by BMCRI- SSH for the above purpose from the respective manufacturers.

b) If the sample or samples is / are declared to be “NOT OF STANDARD QUALITY” OR SPURIOUS OR ADULTERATED OR MISBRANDED, such batch / batches will be deemed to have been rejected. If the samples do not conform to the statutory standards, the contractor will be liable for relevant action under the existing laws including prosecution.

- i) In case, a batch tested declared as “Not of Standard Quality”, the Contractor shall supply a fresh stock of “Standard Quality” equivalent to the entire quantity of the batch supplied earlier, irrespective of the quantity available in stock, within 30 days from the date of receipt of such communication.

- ii) The stock declared as “Not of Standard Quality” shall be destroyed by the purchaser after receipt of the fresh stock / 30 days and shall not be returned to the Contractor under any circumstances.
 - iii) An amount equivalent to actual cost or as prescribed by the Pollution Control Board of the said batch supplied will be recovered from the Contractor towards the expenses for destruction and disposal of above class of drugs.
- c)** The Drugs shall have the active ingredients as per the specifications throughout the shelf life period of the drug. The samples will be drawn periodically throughout the shelf life period for analysis.
- d)** In the event of the Contractor failing to make good the rejected stocks, the security deposit furnished by the Contractor shall be forfeited and in respect of the remaining damages, action under the existing laws will be initiated to recover such loss and also will be blacklisted.
- e)** In case fresh supplies are not delivered within 30 days as per clause b(1) above, the purchaser shall be free to purchase the identical item from any other alternative source under Rate Contract, if any or from the open market in the order of preference and recover the difference of cost from the Contractor.
- f)** If any drug supplied by the contractor is partially or wholly used or consumed after supply and is subsequently found to be not as per specifications, inferior in quality or description or otherwise faulty or unfit for consumption, then the Drugs will be replaced by the contractor in addition to destruction of the remaining drugs as mentioned in clause b(i) & b(ii) above . If the payment for the supply has already been made for the particular batch / batches, then deduction will be made in the subsequent bills or by any other source.
- g)** The Tenderer should clearly understand that the decision of the Special Officer, BMC&RI SUPER SPECIALITY HOSPITAL (PMSSY), Bangalore, or any Officer authorized by him as to the quality of the supplied drugs, shall be final and binding.

19. PRE-SHIPMENT INSPECTION

- a) If required the purchaser or his representative shall have the right to inspect the manufacturing and storage premises of the Contractor to ascertain the standards maintained and take samples for test and analysis at approved laboratories prior to shipment.
- b) The person authorized to carryout such inspection shall produce the authorization letter issued by the Special Officer, BMC&RI SUPER SPECIALITY HOSPITAL(PMSSY) for the purpose.
- c) The Contractor shall notify the purchaser at least 10 days prior to the time, when the processing of items are available for inspection.
- d) The purchaser, if desires, shall complete such inspection and sampling within 7 days thereafter with respect to product inspection.
- e) The goods shall not be shipped unless the purchaser communicates the clearance, whenever such inspections are conducted.
- f) Notwithstanding such inspection and clearance issued by the purchaser or the persons authorized by him, the goods shall be accepted by the purchaser subject to verification at the destination.

20. NOT OF STANDARD QUALITY

- a. In the event of communication from Drug Control Authorities / Government authorized testing labs, that a batch of the consignment supplied is not of standard quality / spurious / adulterated / misbranded, the conditions stated in para 18(b) above shall be applicable, irrespective of the test reports received earlier and shall be binding on the contractor.
- b. In the event of contractor failing to make good the loss due to such rejection incurred by the purchaser, security deposit will be forfeited and action under existing laws to recover the loss will be initiated. The Contractor will be liable to be blacklisted besides recovering the loss.

21. INSPECTION OF MANUFACTURING UNIT

The Purchaser or his Authorized Representative reserves the right to visit and inspect the manufacturing unit of the Tenderer/ Contractor, where the items quoted are reported to be manufactured before accepting the rate quoted by them or at any point of time during the Contract period and also has the right to reject the Tender or cancel the orders issued / terminate the contract, if the facts brought out during such inspections reveal violation of the Tender Conditions or Contract Conditions agreed upon or undertakings furnished.

22. VALIDITY OF CONTRACT

The rates quoted shall be valid for the period not more than 24 months (2 year) from the date of award of tender, may be extended to 6 months on mutual consent.

23. TENDER EVALUATION

a. The evaluation of the tender in Technical and commercial/ Financial bid (cover – A & B) will be done as per the Karnataka Transparency in Public Procurement Act 2000 in the order of preference as under.

First Preference	- L-I
Second Preference	- L-II
Third Preference	- L-III

b. The competent authority of BMCRI-Super Speciality Hospital, Bangalore will take a decision in consideration of the prevailing policy of the Government and the tender conditions, to award the status for each Tenderer to L1, L2,L3.

c. The Special Officer, BMCRI-Super Speciality Hospital, on receipt of the Approval from tender acceptance Authority will call upon the successful bidder, informing the acceptance of his tender for the item to execute the agreement and to furnish the Security deposit.

d. The Special Officer, BMC&RI SUPER SPECIALITY HOSPITAL(PMSSY) will issue the list of successful tenderers after getting the agreements and the Security Deposit from the successful tenderers .

e. If the L-I contractor fails to execute the purchase order, the purchaser shall opt for L-2 or L 3 or in the open market in the order of priority and the difference of cost (if any) will be recovered from the defaulting contractors as per clause (25).

24. ORDERS AND DELIVERY SCHEDULES

i) The Purchaser does not guarantee the quantity, which will be ordered. The quantity mentioned is only the tentative requirement and may increase or decrease as per the actual requirement. No claims shall lie against the BMC&RI SUPER SPECIALITY HOSPITAL(PMSSY), Bangalore in this regard. The rates quoted should not vary with the quantum of the order or the destination.

ii) The Purchaser reserves the right to order for only such quantity as may be necessary for every quarter or whenever the requirement arises and the Contractor is bound to supply the ordered quantity only. Quantities supplied in excess will not be paid.

iii) Orders will be placed every quarter or whenever necessary by the Special Officer, BMC&RI SUPER SPECIALITY HOSPITAL (PMSSY), Bangalore as staggered orders.

IV. If the supply of the full ordered quantity is not completed as required (BEFORE 15 DAYS), the supplier will pay penalty as mentioned below.

15 – 20 days : 3% penalty on the belated supply of the order.

Above 20 days : Liable for cancellation, blacklisting & forfeiture of EMD/SD without notice. And the next lowest will be awarded the purchase order.

V. The order will stand cancelled at the end of 20th day after levying penalty on the value of unexecuted order. Penalties shall also thereafter apply to the contractor as specified in clause 30. Apart from risk purchase action, the Tenderer shall also suffer forfeiture of the Security Deposit and shall invite other penal action like debarring from participating in both present and future tenders of BMC & RI SUPER SPECIALITY HOSPITAL (PMSSY) without notice.

25. PENALTY CLAUSE:

- a) In case the supply is not completed fully as mentioned in Clause 23(e), the Purchaser reserves the right to cancel the order for non supplied quantity and proceed with the purchase of the same generically identical item from L-II or from the open market in the order of preference as specified under clause 23(e).
- b) The difference of cost due to purchase from the next alternate source like L-II or open market in the same order of preference shall be recoverable from the Contractor
- c) In case L-II are not specified, the difference of cost shall be recoverable from L-I with reference to the purchase price as the case may be.
- d) i) However, the contractor for the items to be imported is permitted to supply the entire quantity ordered within 10 days from the date of receipt of order without penalty.
ii) For delay in supply of imported items beyond 15 days a penalty @ 5% on the belated supply of the quantity shall be recovered and the total time taken for supplies with penalty shall not exceed 60 days from the date of receipt of the supply order. If the supply exceeds 60 days the contractor is liable for cancellation, blacklisting & forfeiture of S.D without notice.
iii) Non-supply within the stipulated period will entail the purchaser to purchase the same generically identical item from any other source as per clause “a” above and the difference of cost, if any, shall be recovered from the defaulting contractor as per clause “b” above.

26. STAGGERED SUPPLY:

- a) The Contractor should accept the supply orders for any item for staggered supply, with stipulated time schedules for supplies and submit separate Bills for payment for each supply.
- b) The purchaser reserves the right to proceed with the risk purchase from the alternate source in case the supplies are not delivered on time and the difference of cost including the incidental charges if any will be recovered from the Contractor.

27. PAYMENT CLAUSE

- a) No advance payment will be made towards the supply. Payment will be made only after the supplies are effected as per the supply order.
- b) Payments towards the supply of drug will be made strictly as per rules.
- c) No claims shall lie against BMCRI-Super Speciality Hospital, Bangalore in respect of interest on Earnest Money Deposit or on Security Deposit.

28. REPLACEMENT OF ITEMS

- a) Items supplied in damaged or soiled condition or found “Not in conformity” with the accepted specification, will not be accepted and should be replaced at no extra cost to the BMC&RI SUPER SPECIALITY HOSPITAL (PMSSY), Bangalore WITHIN 15 DAYS FROM THE DATE OF RECEIPT OF INTIMATION, failing which, 5% penalty will be levied for the belated supplies made within another 5 days.
- b) If the replacements are not effected even within the above penal period, the purchaser will be free to proceed with the purchase from alternate sources as per Clause 25 above.
- c) Items declared as “Not of Standard Quality” by the competent authorities like Bureau of Indian Standards, Drugs Controller or the like, should also be replaced at no extra cost to BMCRI-Super Speciality hospital WITHIN 15 DAYS FROM THE DATE OF RECEIPT OF INTIMATION failing 3% penalty will be levied for the belated supplies made within another 5 days, failing which the purchaser shall be free to proceed with the purchase from alternate sources as per Clause 25 above.
- d) In case of dispute, regarding the non-conformity with the specifications, the decision of the Special Officer, BMCRI-Super Speciality hospital, Bangalore will be final.

29. Failure to comply with the Contract provisions will entail disqualification of the

Contractor and his firm from participating in any of the tenders of this hospital for the next five years, besides immediate termination of the existing contract.

- a) In the event of supplies failing in quality test, the purchaser reserves the right to purchase from alternate source.
- b) Further, the Special Officer, BMC&RI Super Speciality Hospital (PMSSY), Bangalore reserves the right to cancel the contract and forfeit all the dues and deposits of the contractor if the quality failure occurs recurrently and if the quality failure happens to be of grave nature affecting the life or quality of life. This shall be, however, notwithstanding any other action that might be proceeded with, under the law.
- c) Such firms may be liable to be blacklisted for 5 years beginning from the year, in which defective supply was detected notwithstanding any action under the Drugs & Cosmetics Act, and the matter will be notified to the Drugs Controller for necessary action.

30. BLACK-LISTING OF DEFAULTING CONTRACTORS:

- a) The Tenderers who have been declared as de-registered/debarred/Black listed, either by central or any State Government/DGS&D, even after the award of Rate Contract shall be treated as non-responsive Tenderers.
- b) The Purchaser reserves the right to BLACK LIST any Contractor either in whole or in part limiting to specified product / products, for breach of any of the Terms and Conditions of the tender.
- c) Such BLACKLISTED CONTRACTOR AND HIS ESTABLISHMENT will not be eligible to participate in the Hospital Tenders for subsequent 5 years.
- d) In the event of tendered supplies
 - (i) If two / more than two products of a firm fails in the quality tests then that firm will be blacklisted.
 - (ii) If two / more than two batches of a product fails in the quality tests then that

product of that firm will be blacklisted.

e) If a firm is awarded only one product and two / more than two batches of that product fails in the quality tests then such firm will be blacklisted.

f) Such firms / products will be blacklisted for five years beginning from the year following the one in which defective supplies were detected and contract with the such contractor will be suspended and purchases will be made from alternative source. The contractor shall also be liable for action under criminal law and the matter shall be notified to the Drug Controller of the concerned state, also all the deposits and dues of such Tenderers/ Contractors shall be forfeited to the **BMCRI- SSH**.

The Purchaser reserves the right to BLACK LIST any tenderer for the following reasons:

- i. Abnormal under-quoting to sabotage the process.
- ii. Non-executing of agreement and the Security deposit when his offer/s is/are accepted.
- iii. Submission of false documents to get declared as responsive.
- iv. Canvassing through whatever means to get his tender approved.
- v. Indulging in corrupt practices like offering incentives / inducements / coercion etc. to seek favour of approval.
- vi. Interfering in the process of evaluation through submission of false documents on other tenderer/s.
- vii. Bringing extraneous pressure on the officers or officials to get his tender declared responsive.
- viii. Any other activity which would affect / interfere with the evaluation process.

Forms should be completed using a typewriter to ensure legibility.

A cross should be placed in boxes as appropriate to indicate which options apply.

Additional sheets should be appended, as necessary to accommodate remarks and explanations.

Explanatory notes

1. This certificate, which is in the format recommended by WHO, establishes the status of the pharmaceutical product and of the applicant for the certificate in the exporting country. It is for a single product only since manufacturing arrangements and approved information for different dosage forms and different strengths can vary.
2. Use, whenever possible, international Non proprietary Names (INNS) or national non proprietary names.
3. A qualitative listing of other ingredients contained in the dosage form should be appended.
4. When applicable, append details of any restriction applied to the sale, distribution, or administration of the product that is entered on the product licence.
5. Specify whether the person responsible for placing the product on the market:
 - a) manufactures the active ingredients and the finished dosage form:
 - b) manufactures the finished dosage form:
 - c) packages and/or labels a finished dosage form manufactured by an independent company; or
 - d) is involved in none of the above.
6. Indicate, when applicable, if the licence is provisional; pending technical review.
7. This refers to the documents, prepared by certain national regulatory
8. In this circumstance, permission for issuance of the certificate is required from the product license.

9. Please indicate the reason the applicant has provided for not requesting registration:
- e) the product has been developed exclusively for treatment of conditions- particularly tropical diseases not endemic in the country of export.
 - f) The product has been reformulated with a view to improving stability under tropical conditions.
 - g) The product has been reformulated to exclude Excipients not approved for use in pharmaceutical products in the country of import.
 - h) The product has been reformulated to meet a different maximum dosage limit for an active ingredient.
 - i) Any other reason, please specify.

10. The requirements for good practices in the manufacture and quality control of drugs referred to in the certificate are those adopted by the Twenty-eight world Health Assembly in its resolution WHA 28.65 (see WHO official Records No. 226, 1975 Annex 12, part 1) Proposals for the amendments for these requirements are included in the Thirty-second Report series, No. 822, 1992, Annex 1) Recommendations specifically applicable to biological products have been formulated by the WHO Expert Committee on Biological products have been formulated by the WHO Expert Committee on Biological Standardization (WHO Technical Report Series, No. 822, 1992, Annex 1).

The section is to be completed when the produce-licence holder or applicant conforms to status (c) or (d) as described in note 5 above, it is of particular importance when foreign contractors are involved in the manufacture of the product. In these circumstances the applicant should supply the certifying authority with information to identify the contracting parties responsible for each stage of manufacture of the finished dosage form, and to indicate the extent and nature of any controls exercised over each of these parties.
