4. The agency/distributor shall quote for only one brand for each individual item otherwise such items will not be considered for evaluation.

### **3. TENDER VALIDITY**

- 3.1 The tender shall remain valid and open for acceptance for a period of 180 days from the specified date of tender opening or from the extended date of tender opening whichever is the later.
- 3.2 In exceptional circumstances prior to expiry of the original tender validity period, the Tendering Authority may request the tenderer for a specified extension of the period of validity. The request and the responses thereto shall be made in writing or by cable, telex or facsimile. A tenderer may refuse the request without forfeiting his Tender Surety. A tenderer agreeing to the request will not be required nor permitted to modify his tender, but will be required to extend the validity of his Tender Surety correspondingly.

## **4. TENDER OPENING & EVALUATION**

### **4.1 Tender Opening**

- The Purchaser will open the tenders in the presence of the tenderers' representatives who choose to attend at the time and location indicated in the Invitation to Tender. The tenderers' representatives who are present shall sign a register evidencing their attendance.
- The Scrutiny committee will examine the tenders to determine whether they are complete, whether the requisite Tender Securities have been furnished, whether the documents have been properly signed and whether the tenders are generally in order.

### **4.2 Process to be Confidential**

After the public opening of tenders, information relating to the examination, clarification, evaluation and comparisons of tenders and recommendations concerning the award of Contract shall not be disclosed to tenders or other persons not officially concerned with such process until the award of Contract is announced.

Any effort by a tenderer to influence the Purchaser in the process of examination, evaluation and comparison of tenders and decisions concerning award of Contract may result in the rejection of the tenderer's tender.

### **4.3 Clarification of Tenders**

To assist in the examination, evaluation and comparison of tenders, the Tendering authority may ask tenderers individually for clarification of their tenders, including breakdown of unit prices. The request for clarification and the response shall be in writing or by cable, facsimile or telex, but no change in the price or substance of the tender shall be sought, offered or permitted except as required to confirm the correction of arithmetical errors discovered during the evaluation of the tenders.

No Tender shall contact the Officers on any matter relating to his tender from the time of the tender opening to the time the Contract is awarded. If the tenderer wishes to bring additional information to the notice of the Tendering Authority, he shall do so in writing.

### **4.4 Determination of Responsiveness**

Prior to the detailed evaluation of tenders, the Tendering authority will determine whether each tender is substantially responsive to the requirements of

the tender documents. For the purpose of this clause, a substantially responsive tender is one which conforms to all the terms, conditions and specifications of the tender documents without material deviation or reservation.

A material deviation or reservation is one which affects in any substantial way the scope, quality, completion timing or administration of the Service to be undertaken by the tenderer under the Contract, or which limits in any substantial way inconsistent with the tender documents, the Tendering authority's rights or the tenderers obligations under the Contract and the rectification of which would affect unfairly the competitive position of other tenderers who have presented substantially responsive tenders.

A tender determined to be not substantially responsive will be rejected by the technical tender scrutiny committee and may not subsequently be made responsive by the tenderer by correction of the non-conforming deviation or reservation.

#### **4.5 Correction of Errors**

Tenders determined to be substantially responsive shall be checked for any arithmetic errors in the computations and summations. Errors will be corrected as follows;

- (a) Where there is a discrepancy between the amount in figures and the amount in words, the least of two will govern.
- (b) Where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the least of the two will prevail.
- (c) The amount stated in the tender will be adjusted in accordance with the above procedure for the correction of errors and, with concurrence of the tenderer, shall be considered as binding upon the tenderer. If the tenderer does not accept the corrected amount, the tender may be rejected and the Tender Security may be forfeited.

### **5. EARNEST MONEY DEPOSIT [EMD]**

- 5.1 The Bidder shall furnish, EMD of Rs. **50,000** as mentioned in the Invitation for Bidders

9.6 The tenderers should mention their products in the technical bid. Prices shall be quoted only for the quoted products in the technical bid. In case if the price is quoted for any extra item other than quoted items in the technical bid, it will not be considered for evaluation.

9.7 The original uploaded document has to be produced before the tender scrutiny committee for evaluation, other than uploaded document will not be considered.

9.8 The tenderer should quote their items according to tendered items. In case any deviations found same will be rejected.

9.9 The Tender Accepting Authority, Special Officer, BMC&RI Super Speciality Hospital (PMSSY), Bengaluru, reserves the right to approve or reject any tender without assigning any reason, whatsoever and the decision of the Tender Accepting Authority is final and binding.

9.10 The Tender Accepting Authority shall have the right to negotiate with the party / parties offering the tenders and then finalize the contract.

9.11 Each article tendered for in the schedule will be considered as a separate and distinct tender in itself and rates for each items should be quoted separately.

9.12 In the earlier period, if any supplier is defaulted in their supplies causing inconvenience to the patients and the hospital, the Tender Scrutiny Committee & Tender Accepting Authority will take appropriate decision regarding such bidder.

## **10. AWARD OF CONTRACT AND SIGNING OF THE CONTRACT**

- 10.1 Prior to the expiration of the period of tender validity prescribed by the Purchaser, the Purchaser will notify the successful tenderer by cable or telex and confirmed in writing by registered letter that his tender has been accepted. This letter (hereinafter and in all Contract documents called "Letter of Acceptance") shall name the sum (hereinafter and in all Contract documents called "the Contract Price") which the Tendering authority will pay to the Contractor in consideration of the execution and completion of the Works as prescribed by the Contract.
- 10.2 Notification of award will constitute the formation of the Contract subject to the parties signing the contract.
- 10.3 Upon the furnishing of a Performance Security by the successful tenderer, the unsuccessful tenderers will promptly be notified that their tenders have been unsuccessful.
- 10.4 The Tenderer is required to execute the agreement within 15 days from the date of intimation of the acceptance of the Tender and failure to do so, attracts cancellation of the acceptance letter automatically. Further, the Tenderer should execute the said agreement for all the accepted items and executing the agreement for only part of the accepted items is not permitted. No representation for enhancement of rates once accepted will be considered during the currency of the contract, unless there is an administrative review request.
- 10.5 The successful tenderer should also execute a formal agreement of contract in a stamp paper of Rs.200-00 agreeing to the terms and conditions specified in the notice in the form prescribed by the hospital within 15 days from the date of issue of Letter of Award otherwise the tender will be treated as cancelled and penalty clause will be imposed.
- 10.6 The successful bidders shall supply the ordered materials promptly. Failure to supply or part of the ordered quantity or the entire ordered quantity as per

the terms of the supply order or non-supply in time or supply of materials which do not confirm to the specifications, packing, quality, etc., prescribed or samples approved and materials which are found defective in any other way or breach of any other stipulated conditions, shall entail enforcement of one or more the following clauses:

- a. Cancellation of the supply order in part or in whole
- b. Forfeiture or adjustment of Earnest Money Deposit or/and Security Deposit in whole or to the extent necessary as considered fit by the TIA (Tender Inviting Authority) Recovery of extra cost, if any incurred by the hospital in securing the materials from other sources, by adjustment from money due to defaulter or in any other manner.

10.7 In the event of any shortage of items being noticed in the sealed containers /boxes/ etc., even after receipt of payment, the supplier will be bound to make good such difference noticed on intimation within 30 days, failing which the value in shortfall will be deducted from the amount due to the firm. The decision of the Tender Accepting Authority will be final in case of any controversy.

10.8 In case of articles rejected as not being in accordance with the approved sample or as have been received in damaged conditions, action will be initiated against the supplier or contractor. In this regard the Tender Accepting Authority's decision is final.

10.9 Once the tender is accepted, at no stage there shall be any change in the distributor or withdrawal of tender till the expiry of the R.C and till the extended period by the manufacturer causing inconvenience to the Institute. Even the authorized distributor shall not give no objection certificate for the products awarded to the said distributor. Failing which penalty clause/black listing will be initiated and the Security Deposit so deposited will be forfeited for causing inconvenience to the Institute.

10.10 The Tender Accepting Authority reserves the right to reject the tender or to accept the tender for supply of all articles or only one or more of the articles tendered for in a tender, without assigning any reasons for doing so and the Tender Accepting Authority is not bound to order for the whole quantity or limit the order

to whole quantity or limit the order to the quantity noted against each product in the Tender document.

10.11 The Tenders will be evaluated at every stage including usage. If any discrepancy is noticed at any stage the tenders will be rejected.

## **11. TENDERING AUTHORITY'S RIGHT TO ACCEPT OR REJECT ANY OR ALL BIDS**

The Purchaser reserves the right to accept or reject any Bid and annual the Bidding process and reject all Bids at any time prior to award of contract, without thereby, incurring any liability to the effected Bidder or Bidders on the grounds of the Purchaser's action .

21.2 Delivery of the goods and performance of Services shall be made by the Supplier in accordance with the time schedule specified by the Purchaser.

21.3 An unexcused delay by the Supplier in the performance of the delivery obligations shall render the Supplier liable to any or all of the following sanctions; forfeiture of its performance security, impositions of liquidated damages and / or termination of the contract for default.

21.4 If at any time during performance of the contract, the supplier or its sub-suppliers should encounter conditions impeding timely delivery of the goods and performance of the services, the supplier shall promptly notify the Purchaser in writing the fact of delay, likely duration and its causes. As soon as practicable

after receipt of the suppliers notice the Purchaser shall evaluate the situation and may at its discretion extend the suppliers time for performance by such period as the purchaser may think fit and shall in the case of force majeure extend such time by such period as the purchaser shall consider fair and reasonable.

## **22. LIQUIDATED DAMAGES**

Subject to force majeure and except for delays caused by the Purchaser, if the supplier fails to deliver any or all of the goods or perform the services within the time periods specified in the contract, the purchaser shall, without prejudice to its other remedies under the contract, deduct from the contract price, as Liquidated damages, a sum equivalent to 0.5% of the price of the delayed goods or unperformed delivery or performance, up to a maximum deduction of 10% of the delayed goods 'or services', contract price. Once the maximum is reached, the purchaser may consider termination of contract.

## **23. TERMINATION FOR DEFAULT**

23.1 The Purchaser may, without prejudice to any other remedy for breach of Contract, by written notice of default sent to the Supplier, terminate the contract in whole or in part. If the supplier fails to deliver any or all of the goods within the time period(s) specified in the Contract, or any extension thereof granted by the purchaser pursuant to clause 13 or If the supplier fails to perform any other obligation (s) under the contract.

23.2 The supplier shall continue performance of the contract to the extent not terminated. In the event the purchaser terminates the contract in whole or in part, and without prejudice to the purchasers other remedies, the purchaser may procure, upon such terms and in such manner as it deems appropriate, Goods or services similar to those undelivered or unperformed and the supplier shall be liable to the Purchaser for any excess costs for such similar goods.

## **24. FORCE MAJEURE**

24.1 "Force Majeure" means an event beyond the control of the supplier and not involving suppliers fault or negligence and not foreseeable. Such events may include but are not restricted to acts of purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.

24.2 If a Force Majeure situation arises, the supplier shall promptly notify the purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the purchaser in writing the supplier shall continue to perform its obligations under the contract as far as it is reasonably practicable and shall seek all reasonable alternative means for performance not prevented by the force majeure event.

## **25. TERMINATION FOR INSOLVENCY**

The Purchaser may at any time terminate the contract by giving written notice to the supplier, without compensation to the supplier, if the supplier becomes bankrupt or otherwise insolvent (which events shall of themselves be a breach of the contract on the part of the supplier), provided such termination will not prejudice or affect any right of action or remedy which has accrued or will accrue thereafter to the Purchaser.

## **26. TERMINATION FOR CONVENIENCE**

The Purchaser may, by written notice sent to the supplier, terminate the contract, in whole or in part, at any time for its convenience. The notice of termination shall specify that the termination is for the purchasers convenience, the extent to which performance of work under the contract is terminated and the date upon which such termination becomes effective.

## **27. RESOLUTION OF DISPUTE**

27.1 The Purchaser and the supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the contract.

27.2 After thirty (30) days from the commencement of such informal negotiations, or if either party refuses to participate in such informal negotiations, then the purchaser and the supplier have been unable to resolve amicably a contract dispute either party may require that the dispute be referred for resolution to arbitration by Indian by the Indian Council of Arbitration in Accordance with Arbitration & Reconciliation act 1996 with latest amendments if any.

27.3 Venue of Arbitration shall be at Bengaluru.

## **28. NOTICES**

28.1 Any notice given to the other pursuant to the contract shall be sent in writing or by facsimile, electronic mail, telegram or cable and confirmed in writing to the address specified for that purpose in the special conditions of contract.

28.2 A notice shall be effective when delivered.

## 29. **CONTRACT PERIOD**

- The contract is for a period of two years and if the service is found satisfactory, it can be extended for six months with mutual consent.
- Successful Bidder shall submit the invoice copies as and when the stents/ consumable is used.
